Mr. Mario M. Gonzalez  
Library Director  
Greenwich Library  
101 West Putnam Avenue  
Greenwich, CT 06830

Dear Mario,

It was an honor for me to receive the Peterson Award this year and a joy for me to participate in the ceremony last Thursday night.

The library is one of Greenwich's finest institutions, sitting at the heart of our community both literally and metaphorically. As a result of your expert leadership the library's reputation remains impeccable. It is the pride of our town and the pride of Connecticut's public library system.

Thank you for the honor of the Peterson Award and thank you for all you do for Greenwich's beloved library.

Regards,
